ABOUT US

Established in year of 2015, Langchu Lighting Co., Ltd is a Shanghai-based company founded by a team of seasoned lighting designers and management professionals. Our core expertise lies in the designing and manufacturing of bespoke lightings.

Currently, our business is exclusively dedicated to lighting systems, offering a diverse range of products meticulously designed to provide tailored solutions for various spaces.

By with with domestic and overseas artist and designers, we started our original brand “into silva” marking a significant step towards our commitment to innovation and excellence in lighting design.

Key Milestones:

- ▲ May 2015: Company founded
- ▲ August 2020: Launch of our original design lamp brand, "INTO SILVA"
- ▲ 2021: Successfully secured funding through an Angel Investment from Tongji Group SH
- ▲ 2021-2022: Forging strategic partnerships with Atelier I-N-D-J, Singapore PTP, and M+ Design

LANGCHU LIGHTING

OUR TEAM

As a mid-sized team, our design and project management members possess robust background in design, aesthetics, and technical expertise. Over the last 8 years, we have diligently honed our skills, starting from humble beginnings with small-scale projects and gradually progressing to prestigious high-end hotel ventures, establishing a notable presence within the industry. Our objective has never been limited to being just a lighting manufacturer; instead, we strive to think like designers and build like engineers, thereby fostering our competitive edge. As a sincere friend, we eagerly anticipate collaborating to create extraordinary spaces and works of art infused with boundless creativity.

GENERAL INFORMATION: The descriptions and dimensions of the items in this catalogue are indicative and may be modified for the purpose of technical or design improvements. We reserve the right to cancel or change all models without prior notice. All items meet the CCC Class 1 and Class 2 safety regulations for home lighting appliances. The finishings and technical specifications listed here are for the China's market and may vary elsewhere. Do not use stronger bulbs than recommended, and always clean lamps with a soft dry cloth, since metal polish will damage the protective finishings.
